

About the Navigation Panels

The Navigation Panel can display the following:

- Attachments (at the bottom of the screen)
- Bookmarks (on the left)
- Comments (at the bottom of the screen)
- Destinations (on the left)
- Form Controls (on the left)
- Model Tree (on the left)
- Pages (on the left)
- Signatures (on the left)

When you select a panel, it gives you access to a set of tools related to the current display.

To show or hide the Navigation Panel

- Choose View > **Navigation Panels** > [desired panel].
- Click the arrow beside the  **Navigation Panels** button in the View Toolbar and select the desired panel.
- Click  at the bottom of the vertical bar that separates the Document Panel from the Navigation Panel, to show/hide the Navigation Panel
