

About the Organizer Panels

The program includes an Organizer Panel to help you search PDF files and add stamps, watermarks and clip art to them, as well as to provide increased security tools such as envelopes, passwords and signing/certifying.

To show or hide the Organizer Panel

- To show the Organizer Panel, choose View > Organizer Panels > [desired panel].
- Click the arrow beside the Organizer Panels button  in the View Toolbar and select the desired panel.
- To hide the Organizer Panel, click the Close button  at the right-top of the Organizer Panel.

The Organizer Panels are

- Clip Art
- Envelope
- Security
- Sign/Certify
- Stamps
- Watermarks
